SUBJECT: Intelligence Terminology

1. ICAPS has requested ORE and the other offices of CIG to supply a list of intelligence terms in different usage by the agencies and a list of intelligence terms so loosely used as to require clear definitions. ICAPS has further indicated that proposals in the form of definitions will be welcomed.

2. Addressees are requested to:

a. Circulate this request to personnel in their respective staffs and branches.

b. Request them to note down such terms as occur to them now and during the next month.

c. Send the lists so prepared to Planning Staff on 25 November.
